

Your Workforce is Retiring – Now what?

Are you prepared to fill your retirements with good employees?
Let us show you how we can help you fill this need.

Did you know?

- Sioux City IVRS currently has 147 students studying at Western Iowa Tech preparing for jobs in this area
- Types of skills our students are learning include heating and air conditioning, automotive technicians, carpentry and construction, welding, electrician, child care, computer skills, office and nursing fields
- During 2011–2012 school year, the Sioux City Area Office of IVRS served approximately 300 students and 215 students were provided with tuition assistance to help them prepare to fill your workforce needs

To help us celebrate the National Disability Employment Awareness Month

- **Local employers and their employees will help explain how IVRS prepared these individuals for employment. Also hear how this is working for them**
- **Local colleges and their students will discuss how IVRS helped prepare job-ready candidates who are graduating**
- **Local high schools will enlighten us on how IVRS and Sioux City High Schools are partnering to prepare students for the workforce and college**

October 18th
